

# SAVE THE DATE - Diabetes Prevention & Management Training

**TUESDAY 24 MAY** 6pm-8pm Alexandra District Health, Meeting room 1  
Or  
**THURSDAY 26 MAY** 6pm-8pm Seymour Health, Ambulatory Care Centre

The Lower Hume Diabetes Working Group would like to **invite all Local Pharmacy Staff, General Practitioners and General Practice Staff** to attend an **information evening on diabetes and local services**

The aim of these events is to assist Pharmacy and General Practice staff to provide support to people with diabetes through education on diabetes prevention, ongoing management and local health services that can provide further support.

## Meet local allied health professionals and hear presentations on:

- Prevention of diabetes
- Self-management
- Chronic complications
- Local services and how to access them

To register please follow the appropriate link:
